

OUR WAITING ROOM IS ABSOLUTELY BREATHTAKING.

The International Services Program at Aventura Hospital and Medical Center

Aventura, Florida attracts tourists from around the world with its tropical beaches, upscale shopping, fine dining and vibrant nightlife. It also offers international travelers *world-class* medical care. **Aventura Hospital and Medical Center** has the most advanced medical technology available, including the latest diagnostic and imaging tools in cardiology, cancer care and more. Our staff is made up of a team of expert, multilingual healthcare professionals and our brand new facility features private rooms and a full-time chef to prepare meals. So whether it's surgery or a routine exam, we can provide the healthcare you need in a setting that can't be matched.

Centers of Excellence include:

- Cardiac and Vascular Medicine
- Comprehensive Cancer Care
- Neurology/Neurosurgery
- General Surgery (including Laparoscopic)
- Laparoscopic Radical Prostatectomy (LRP) for Prostate Cancer
- Spinal Disc Replacement Surgery
- Diabetes Treatment
- Intensive Care Unit/Critical Care Unit
