A VIP Service of The International Services Program at Aventura Hospital and Medical Center

Aventura, Florida attracts tourists from around the world with its tropical beaches, upscale shopping, fine dining and vibrant nightlife. It also offers international travelers *world-class* medical care, through our **International Services Program**. One of our most popular packages is the 'Weekend at Aventura', which includes a complete physical and wealth of VIP services. This program offers customers a great way to ensure good health and enjoy everything South Florida has to offer. Our staff is made up of a team of expert, multilingual healthcare professionals and a brand new facility. Aventura Hospital and Medical Center has the most advanced medical technology available, including the latest diagnostic and imaging tools from cardiology to cancer care, neurology and more.

Weekend at Aventura includes:

- Executive physical exam
- 3-night deluxe accommodations
- Limousine transportation to and from airport
- Store discounts at world famous Aventura Mall
- Concierge services through International Department
- Couples packages are also available
- Private rooms
- Full-time chef
